WRJ Book Club

Wednesday, January 13 at 7:30pm

Our next book will be
OUR CROWD: The Great Jewish Families of New York
by Stephen Birmingham.

OUR CROWD tells the story of a group of families who emigrated from Germany in the 19th century to the United States and their rise to power in the financial markets of New York in the 20th century. The text weaves together social and financial history with a portrait of these powerful and influential Jewish families.

This former #1 New York Times bestseller is based on letters, documents, diary entries, and intimate personal remembrances of family lore by members of these most illustrious clans.
